

TERMS AND CONDITIONS BRANDED/PERSONALISED CARDS

MINIMUM ORDERS

- \$300 for generic orders.
- \$300 for logo overprint.
- \$1000 for orders for fully personalised front of cards (EFTPOS ONLY).
- \$300 for re-orders for fully personalised front of card where artwork remains the same.

ARTWORK

- \$150 (exGST) artwork fee covers initial design and up to 3 alterations/revisions for personalised cards. \$50 (exGST) fee applies for logo overprint orders.
No charge for denomination changes. For additional artwork changes, please contact us for a quote.
- We will email proposed artwork to you for approval. You **must check** for suitability... including, but not limited to, colors, logos, spelling. Once you have approved the design, your cards will be ordered. We cannot accept responsibility for errors in artwork you have approved.
- In the event that the cards are incorrectly printed through our error, due to misalignment or unexpected changes not approved by you, or printers errors, then your cards will be reprinted free of charge.
- If you supply your own artwork, it must be completed by a graphic designer, supplied in a high resolution vector file format. Charges will apply if alterations are required to your submitted artwork. To ensure additional denominations can be ordered in the future, please supply the original artwork in either InDesign or Illustrator when submitting your initial order. (Refer to artwork guideline sheet). You must ensure your artwork complies with our requirements.
- In the event you supply your own artwork, we cannot be responsible for any errors it contains.
- All artwork must be approved by EFTPOS or VISA prior to your first order and must meet with their guidelines. Approval takes up to one week (longer time frames may apply during peak periods).
